

Executive Summary of Project No.

A. Basic Information of the project:

| | |
|---|--------------|
| Name of the project | |
| Project Start Date | |
| Report Period | |
| Total project duration | Months |
| Total Project cost | Rs. Millions |
| To Date Expenditures | Rs. Millions |
| Name of the Project Manager with designation | |
| Host Institute | |
| Name and Designation of the Team Leader with Name of the Collaborating institute | 1. |
| | 2. |
| | 3. |

B. Salient Achievements

(Executive summary should not go beyond one page. Please give a paragraph on problem being addressed, a paragraph on strategy followed to solve the problem and a paragraph on up to date achievements without using scientific jargons and detailed data)

PROGRESS OF RESEARCH WORK DURING 1st YEAR

1. Introduction:

(Problem being addressed)

2. Project Objective:

(As per project document)

3. Outputs/activities planned for the year:

(As per project document)

4. Achievements

(Statements only)

Please attach data as annexure.

5. Deviations from proposed research plan, if any with reasons

6. Bottlenecks faced

7. Suggestions to avert such situations in future
